

COMMERCIAL IMPROVEMENTS & NEW CONSTRUCTION

GOLD RING AND FLORIDA WATER STAR SM

Gold Ring

Reduce your energy bill by keeping your new home cool in the summer and warm in the winter with OUC's energy-efficient Gold Ring program. Gold Ring homes are designed and built according to ENERGY STAR® efficiency standards. Features can include higher efficiency heat pumps, heat recovery water heaters, R-30 attic insulation, interior air ducts, window shading, and more!

For more information on ENERGY STAR® certification process go to:
www.energystar.gov

Incentive requirements:

1. Applicable to New Construction projects.
2. A copy of the ENERGY STAR® Certification must be submitted with the application.

Florida Water Star SM

The Florida Water Star Program is an initiative started by the St. John's River Water Management District. Installation of water efficiency appliances, plumbing fixtures, irrigation systems and landscapes in your new house could reduce indoor water use by more than 20 percent and outdoor use by 40% or more.

For more information on Florida Water Star certification process go to:
www.floridawaterstar.com

Incentive requirements:

1. Applicable to New Construction projects.
2. Applicable to OUC Orlando water customers only.
3. A copy of the Florida Water Star Certification must be submitted with the application.

Important Notes for Eligibility

Commercial energy and water efficiency programs are only available to OUC electric and water customers respectively.

This program covers products purchased and installed on or after January 1, 2009.

All receipts / invoices must be dated and submitted by not more than six months from the date of work performed. Rebates will be awarded as a credit on your OUC bill (Please allow 6-8 weeks for processing).

To schedule a free commercial energy survey, call Customer Service at **407.423.9018** in Orlando and **407.957.7373** in St. Cloud. For detailed program requirements, go to www.ouc.com/rebates
